

Carta a los Reyes Magos activity

Part 1

Write a letter to the 3 Kings. You can write to all 3 – or pick your favorite and just write to him. Make it a real letter, with an opening, an introduction, a main section, a wrap up and a closing

Things you could include:

Tell them what you want them to bring to you

Ask them to bring things for other people; your friends, family, enemies etc.

Tell them why you or others deserve things – or why you need them

Promise things if they bring you what you ask for. (Use future tense)

Start with:

Queridos Reyes Magos, or Querido Baltazar or Querido Melchor or Querido Gaspar

End with:

Con amor, (your name here)

Be creative – have some fun with what you ask for.

Don't just make a list – explain your needs or wants.

Describe things with some detail.

Use a dictionary to look up any extra words you need – DON'T use a computer translator!
