

Basic: MEMORIZED

welcome, date with year, and time (update board)

Weather: Mostly MEMORIZED

3 different weather comments with lots of detail /descriptions /comments - One in past, one in present, one in future

Announcements:

2 different announcements with specific details like day, date, time, place, cost, why go, etc. At least one real - other can be invented - but must still have detail. One needs to be in the past.

Presentation: Present a report on a Hispanic country or place in **Spanish**. You must sign up for what your topic is. Use a powerpoint or google slides type presentation. If you are using unusual or unfamiliar words that are needed to understand - write them on the board ahead of time or define them in your powerpoint. It should be well rehearsed- you can use notes, but you need to be able to read it fluidly and know what you are saying. Include basic info about the place: culture, government, food, art, famous people, places, things to see, maps, flag, 2-5 min long

Graded on: (200 points)

Pronunciation (Be perfect - sound like a native, practice!)

Preparation (Plan ahead, be ready right at the beginning of class.)

Completeness (Use details, make sure you have all the elements.)

Extra points for creativity, extra information and memorization.

Make sure the technology is prepared – send a copy or link to Srta early enough to make sure it works. Bring a back up copy on a flash drive.

PRACTICE saying things ahead of time - so you can speak fluidly and not stumble over unfamiliar words

Please plan ahead and get things ready early - I will be glad to help you during lunch or after school - but not at the beginning of class when you should be ready to go already.

DO NOT USE A COMPUTER TRANSLATOR

If you have a fluent speaker help you - please make sure you understand and know what you are saying.

If you are not prepared the day you sign up for – you may do it another day for ½ credit.

NO IMPROMPTU BIENVENIDAS
